Report - May 2025

ARGENTUM ARTS

Go-To-Market Strategy

India & USA Markets

BY

Executive Summary

Argentum Arts is positioned to capitalize on significant growth in the online art market, projected to reach $6.2 billion by 2025 in India and $8.5 billion in USA, expected to reach $7.1 billion by 2025 CAGR of 28%). This strategy leverages Argentum Arts' curated collection of premium artworks, artists, and individual buyers to establish strong market presence in both India and the USA, with expected revenue in 18th month of $1.5M.

Market Opportunity Analysis

- Rapid digital transformation in both markets
- Currently valued at $350 million, projected to reach $1.2 billion by 2025
- Online sales penetration at year 1: 15% in US, 25% in and Tier-2 cities
- Significant room for growth as online shoppers expected to reach 50% of population by 2025

Key Market Drivers

- Increasing focus in online jewelry purchases
- Growing frequency of online transactions
- Rising disposable income in both markets
- Expanding influence of younger buyers

Business Overview

Argentum Arts is a premium silver artifact and jewelry brand with:

- Deep expertise in intricately crafted silver jewelry and artifacts
- Strong artisan network and supply chain
- Products positioned for gifting and home décor
- Target markets: India and NRI communities in USA

Marketing Objectives

- Brand Awareness: Achieve 15% recognition rate among target audiences
- Lead Generation: Generate 5,000 qualified leads monthly
- Conversion: Achieve 2% conversion rate from website visitors
- Customer Retention: Maintain 40% repeat purchase rate within 6 months
- Revenue Growth: Achieve $1.5M revenue in 18th month

Competitive Landscape Analysis

Brand	Positioning	Digital Strategy	Content Strategy
Grand Trunk Collective	Premium handcrafted jewelry, heritage focus	Strong social media presence, influencer partnerships	Artisan stories, craftsmanship focus
Tribe Amrit	Modern Indian jewelry, sustainable practices	Instagram-first approach, celebrity endorsements	Lifestyle content, sustainability focus
Shaya	Contemporary jewelry, mass market appeal	Multi-platform presence, frequent promotions	Product showcases, customer testimonials
Clara	Luxury jewelry, premium positioning	Selective digital presence, boutique approach	Exclusivity focus, craftsmanship emphasis

SWOT Analysis

Strengths

- Heritage craftsmanship as market differentiator
- Strategic location in Jaipur with cultural significance
- Direct-to-consumer model for better margins
- Established artisan partnerships ensuring quality

Weaknesses

- Limited brand presence with limited brand recognition
- Resource constraints for marketing and customer acquisition
- Limited online sales presence (starting from zero)
- Higher customer acquisition costs for premium positioning
- Limited initial content library

Opportunities

- Growing online jewelry market (28% CAGR)
- Increasing disposable income in target markets
- Rising demand for sustainable and ethical jewelry
- Increasing comfort with online luxury purchases
- Cultural heritage positioning appeal to diaspora
- Gifting market expansion potential
- Partnership opportunities with luxury lifestyle brands

Threats

- Competition from established jewelry brands
- Economic uncertainty affecting luxury spending
- Supply chain disruptions affecting artisans
- Changing consumer preferences in fashion
- Currency fluctuations affecting pricing
- Rising ad costs on Meta and Google platforms

Core Customer Personas

India Market

Urban Elite, 30-45 years

- Tech-savvy professionals
- Value heritage and craftsmanship
- Purchases for gifts and self-reward
- Active on Instagram, Whatsapp and Facebook

Cultural Enthusiast, 25-40 years

- Appreciates traditional craftsmanship
- Collaborates with contemporary fashion brands
- Influencers in cultural preservation
- Seeks unique pieces that demonstrate cultural knowledge

Gift Buyer, 35-55 years

- Purchases for family occasions
- Appreciates traditional designs and artistry
- Values quality and craftsmanship
- Prefers trusted brands with heritage
- Active on Pinterest and Instagram

USA Market (NRI Focus)

Cultural Connector, 25-45 years

- Maintains strong connection to Indian culture
- Purchases for family in India and for themselves
- Values authenticity and craftsmanship
- Active on Whatsapp, Instagram and Facebook

Conspicuous Collector, 35-55 years

- Appreciates unique and high-quality jewelry
- Purchases for specific occasions
- Values brand heritage and craftsmanship
- Influence spans beyond immediate circle

- Campaign performance dashboard
- Ad creative performance analysis (especially TikTok and Whatsapp creatives)
- Budget pacing analysis
- A/B test results review

Monthly Deep Dives

- Cohort analysis by acquisition channel
- Customer lifetime value calculation
- Attribution analysis
- Competitive landscape review
- Whatsapp campaign performance review
- Top 10% performer patterns review

Tools

- Meta Ads Manager
- Google Analytics 4
- Whatsapp Business Analytics
- Custom dashboard for KPI tracking

Quarterly Strategic Reviews

- Overall ROI and attribution analysis
- Budget reallocation based on performance
- Market expansion opportunities
- Competitive landscape updates
- Seasonal strategy adjustments
- Technology stack optimization
- TikTok algorithm adaptation

Implementation Timeline

Month 1: Foundation

- Whatsapp optimization for conversion
- Meta Ads campaign setup and initial testing
- TikTok account setup and initial content creation
- Content production for video campaigns across platforms
- Influencer outreach and partnership setup
- Analytics and tracking implementation
- Customer feedback collection

Month 2: A/B Testing & Tuning

- Video ad creative variations testing
- Whatsapp broadcast list segmentation
- Influencer content performance analysis
- Retargeting campaign optimization
- Implement retargeting strategies

Month 3: Optimization & Scaling

- Scale successful channel investments
- Expand influencer partnerships based on performance
- Expand Whatsapp marketing with segment retargeting
- Implement dynamic product ads based on customer behavior
- Prepare Diwali campaign based on performance learnings
- Implement retargeting strategies

Month 7-12: Growth & Expansion

- Full brand optimization
- Research strategic partnerships
- Explore new market opportunities and expansion development
- TikTok shopping integration if applicable
- International shipping optimization

Conclusion

This comprehensive marketing strategy leverages Argentum Arts' unique positioning in traditional Indian craftsmanship while addressing the specific preferences and behaviors of both India and USA markets. The multi-platform approach with strong retargeting ensures maximum conversion opportunities.

Key implementation priorities include:

- Whatsapp Business optimization for both markets
- TikTok content creation for Gen Z engagement
- Meta Ads campaigns with festival-specific messaging
- Influencer partnerships for cultural authenticity
- Comprehensive retargeting across all touchpoints

The success of this strategy will be measured by achieving the target ROAS of 3x and maintaining strong engagement across all platforms while building a sustainable customer acquisition and retention ecosystem.
